46 Nguyen Kim, Ward 6, District 10, Ho Chi Minh City.

To Whom It May Concern:

Having looked at the position, I believe that I have the qualities necessary to succeed. These qualities are demonstrated by my academic and extracurricular experiences:

- **The main advantage of knowledge and experience:** 1. Construction experience build UML and wireframe, workflows, use-case, sitemap or somethings to unify specifically relevant information for presentation of Stakeholders or technical document for development department.
2. Proficient in tools as Sketch, Draw.io, Trello, Microsoft Office (VBA), Google Suite (Google App Scripts for automatically sending mail or make a reservation calendar).
3. Experience in building Android, WebApp base on MVC model as Fullstacks position.
4. Experience in writing navigation document.
5. Loyah. Honest.
- **Considerably improvement:**
English Communication. I will take Ielts 5.0 in 08/2023.
Practical Experience in Business Analyst field.

I believe in my ability and hard work that will make me be a great generation that will be useful for this position. I look forward to having the opportunity to performance. Hope the best wishes to the recruitment department and the company.

Thank you for your time and consideration.

Sincerely,

Duong Nguyen
